To the Marian Chorus of praise echoing throughout the world during this, her Holy Year, We, the students of St. Rose High wish to add our feeble voice. We humbly ask Our Mother to accept this tribute of filial devotion, our Year Book, which to her we dedicate.

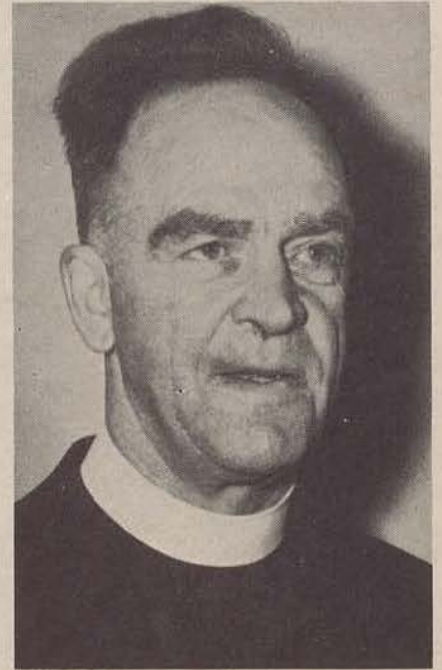

BE APOSTLES OF THE JOINT ENTHRONEMENT!

In this Marian Year nothing is more imperative than the consecration of every institution, home and heart to the Most Sacred Heart of Jesus and to the Immaculate Heart of Mary. Remember the words of Jacinta: "Tell everyone that Our Lord grants us all graces through the Immaculate Heart of Mary; that the Sacred Heart of Jesus desires that the Immaculate Heart of Mary be venerated at the same time". In 1899 Leo XIII consecrated the whole human race to the Most Sacred Heart of Jesus. In 1942 Pius XII consecrated it to the Immaculate Heart of Mary. Early in 1943, Our Lord appeared to Lucy to express the joy of His Heart over this consecration but stated that the act of the Holy Father cannot be completed until every individual home, diocese and country consecrates itself to the Immaculate Heart. On May 1st 1948, the Vicar of Christ declared: "It is our wish that this consecration be made in the various dioceses as well as in each of the parishes. We are confident that abundant blessings and favors from heaven will surge forth from this private and public consecration."

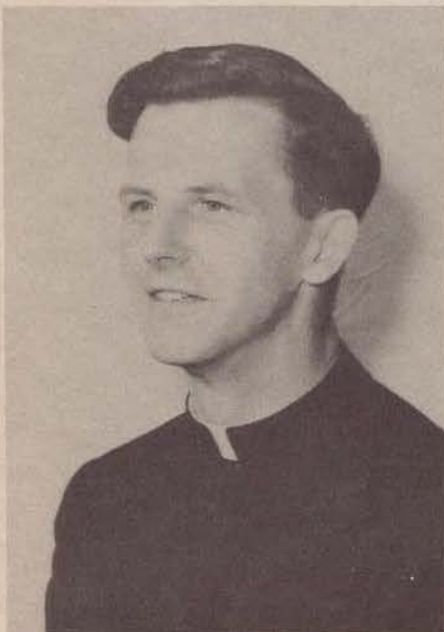

Your school, by the joint enthronement ceremony, has saluted Jesus as its King and Mary as its Queen. By your fidelity to the daily Family Rosary, by your loving attendance at Mass and Communion on the First Friday and Saturday of every month, you must now help us to enshrine Jesus and Mary in every heart and home. May their mutual smile pierce the shadows of death as you whisper at the end of life's journey: "O Mary thou didst enter the world without sin; do thou obtain for me from God, that I may leave it without sin!"

Father V. Thomson, C.S.B. — the Pastor of our parish church who worked so energetically to make St. Rose neat and comfortable and devoted so much of his time in the weekly teaching of Religion at our school.

Father B. O'Donnell, the first assistant who gave so freely his time in the instruction of Religion at St. Anthony's School.

Father I. McRae, second assistant who spends so much time in directing various activities such as; the Sodality, the Y.C.S., the Squires and the Knights of the Blessed Sacrement.

THE GRADUATION EXERCISES FOR GRADE XII

of

St. Rose High School took place on Sunday, June twenty-fifth.

The twenty-three graduates in cap and gown attended the eight o'clock mass at St. John the Baptist Church. Red roses, the school flower, adorned the altar.

The Junior school choir directed by Sister Lucy of Jesus, sang appropriate hymns. Father McGee congratulated the graduates on their success and asked God's blessing on their future undertakings.

Breakfast was then served at St. Joseph's Academy. Red and white roses decorated the room and tables. At each place a miniature graduate in cap and gown held the class ring and pin. Father V. Thompson C.S.B. and Father McGee presided.

At three in the afternoon the graduates and their attendants marched from St. Joseph's Academy to the Church which they entered to the strain of Pomp and Circumstance. Father J. Stanley Murphy, C.S.B., M.A., Christian Culture Series director, gave the sermon. Father praised the Parish Priests for the spiritual help given to the graduates in obtaining their goal, the Sisters for their efficient teaching and the parents for their sacrifices. Father then addressed the graduates. He recalled the life history of St. Thomas More, the chancellor of England, who rightly chose to sacrifice his friendship with Henry VIII, and his head rather than betray his loyalty to God. He showed how to put first things first, that is be loyal to God, to your country, to your friends but to God first.

Father V. Thompson read the Proclamation of Honours and presented the awards as follows:

Miss Betty Paquette merited the prize for Religion donated by the Basilian Fathers; Mr. Dan Callam awarded the prize for Highest Average donated by Mother M. Constantia, Provincial Superior; Miss Jeanette Clair Beneteau, also awarded the prize for French donated by Rt. Honourable Paul Martin; Miss Maureen Finn awarded the Lieutenant Hayward Jones Memorial Award for English donated by Mr. and Mrs. George Jones; Miss Betty DeLuca awarded the prize for Latin by Mrs. Antoinette Marra; Miss Wanda Bernard awarded the prize for History donated by the Catholic Women's League; Mr. Dennis Dufour awarded the prize for Science donated by the Knights of Columbus; Miss Elizabeth Bratt awarded the prize for Mathematics donated by the Separate School Board; Miss Eileen Curtis awarded the prize for Co-operation donated by the Sisters of St. Joseph's Academy; Miss Nancy Darraugh awarded the prize for Co-operation donated by the Catholic Women's League; Miss Freda Paquette awarded the prize for Regular Attendance donated by the Parent Teachers' Association; Miss Betty Fitzmaurice awarded the prize for Athletics donated by the Separate School Board; Mr. Lynwood Sinasac awarded the prize for Athletics donated by Jimmie's Flower Shop; Miss Kay Sutton awarded the prize for French donated by Mr. Norval Mullen; Miss Marcia Marontate awarded the prize for School Spirit donated by Mr. Macomb Mullen; Mr. Lloyd Deslippe awarded the St. Rose Scholarship.

A solemn peace, that breathes of old school memories,
 Will heal the scars, the fevers of the day.
 And on the breeze that gently moves across our pathway wide
 Each troubled thought will idly steal away.
 So if the day has made your soul grow weary
 And brought your eyes the shadows of a frown
 Go down the trail that leads you to dear S.R.H.
 And watch the clouds light up before the sun goes down.

President's Message

We, the graduates of this year, who are preparing to leave dear old St. Rose High School are feeling most keenly the love and honour we owe to our teachers. Therefore we are taking this opportunity to say sincerely, with grateful hearts, "Thank you Sisters, and may God bless you".

Class Prophecy

Hollywood, California

July 15, 1975.

Mr. Milton Dube, Admiral
San Diego, California

Dear Milt,—

I just had to write to tell you about my visit to our dear old town of Amherstburg, on July first, you remember, Dominion Day.

I landed in the Burg on Saturday night, inquired for a hotel, from the taxi-driver our old classmate Victor Polewski. He drove me to the famous Hotel Reaume which was opened five years ago by Judy Reaume. Here I saw George Deneau sitting at the bar, his favourite place, I hear. For old time's sake I took him with me for a square meal which he seldom can afford. Imagine my surprise when the maid appeared, Shirley Bondy. She advised me to have lunch the next day at the Casino Grill, the most modern cafeteria of Canada, owned by our old-time friends "Diamond" Brush and "Lily" Goulin.

Just as I left the hotel Saturday night I met Lucille Grondin, a spinster still, owner of the city's one and only 4-O theatre. There she treated us to pop-corn and potato-chip. The manager in fine green and gold livery was no one else but Robert Colombe. That night we saw a wonderful show of artists, the world famous Fred Beneteau with his equally famous orchestra, Parker Odette playing the part of Hamlet, Dorothy Hocevar as Gertrude and Phyllis Paquette as Ophelia. It certainly brought back pleasant memories (Belfor) Of course we had the best box-seats having been assigned to us by the trim usheret, Catherine Bondy. Before I forget, I must tell you that on Monday night Vincent Bondy entertained us as the "Absent-minded Professor"—then appeared as an advertiser of Hair-tonic.

Sunday morning I rose early to attend Mass at St. John the Baptist Church. Can you imagine my surprise when the priest walked into the sanctuary,—it really was our schoolmate Jim Brown. The Altar boy looked familiar. After mass I greeted Father Brown and inquired about the Altar boy, who turned out to be Nicodemus Reaume, the youngest son of Marilyn Bornais. Father Brown then took me to the new St. Rose High School,—our old St. Rose would fit ten times in this one—up-to-date in every respect. Then, who appears but the principal and her companion,—you would never guess who—Sister Mary of the Smile, our classmate, Rosemary Sutts. She just loves teaching, and the new St. Rose.

Leaving the school I was hailed by Paul Murray in the latest 1975 model. We visited his large and famous Body-Building Academy. There we saw everything anyone would want to see. And we met the janitor, Tom Bondy, happy and carefree as ever. We also met Dorothy Calzavara who was the receptionist and secretary at the Academy. After we had finished the tour we set out for our destination, the "Dupuis Ballroom" one of the biggest and best buildings in the city the proud owner being Leonard Dupuis. On the way we saw a Cadillac convertible stalled on the road, and when we found that we knew the owner, we stopped to help him. It was Donald Ouellette once a two-bit gambler now a zillionaire. After aiding him, we received his thanks and a mere token of his appreciation \$100. Afterwards our chauffeur must not have noticed, but we were going 70 miles an hour in a 30 miles per hour speed zone and before we knew it we were pulling over to the side with a police officer tailing us. It was lucky for us that this police officer happened to be Howard Pillon or we would now be paying to him that money we received for a fine. Well to end my little story we finally reached our destination, the "Dupuis Ballroom". In the lobby we ran across Marguerite Bastien who was to entertain us that night by displaying all kinds of different dances.

Well, I have to close my letter now because I have to appear as usual at the Carnegie Hall, where I have to croon to-night. How about coming with me next summer for my return visit to the Burg?

Your Chum,
Jim Grenier.

The Rose Ball '53

The coketail preceeding the Prom of '53 took place at the home of Miss Betty Paquette one of the grads. All the graduates with their dates attended this Pre-Prom introduction to a very enjoyable evening.

The Rose Ball, held at the Brunner Mond Club, was a huge success. Trellises of pink roses surrounded the wishing well situated in the center of the hall. Floating pink and white streamers completed the decoration.

All were "Tenderly" "Dancing in the Dark" to the arrangements of Pete Fitzmaurice's "Congratulations to Someone" With a "Boquet of Roses". The patrons attending the Prom were the parents of the graduates, Mayor and Mrs. Nattress, Dr. and Mrs. E. C. Ladouceur, Dr. and Mrs. E. L. Paquette, Dr. and Mrs. E. M. Warren, and Mr. and Mrs. E. W. Busby.

The selected queen, Miss Edith Kelly, escorted by Mr. Lynwood Sinasac, wore a white floor-length gown bearing an orchid corsage on her right shoulder. She was crowned by our former queen Miss Pearl Charette with a tiara of red roses sprinkled with star dust and was presented with a glittering baton.

To conclude a perfect evening a party was held at Bell's Triangle for the graduates and their dates.

We the graduates of '54, wish the graduates of '53 continual success in all their undertakings and May Our Lord and His Blessed Mother bless them through the years yet to come.

Commencement – "They Gave Him a Co-ed"

After a long and troublesome time in deciding what play to select, we finally came up with one of the most breath-taking and hilarious comedies "They Gave Him a Co-ed", which kept up the tradition that St. Rose has in presenting fine plays.

With Vincent Bondy the farm boy from Maine who was trying to further his education, Tommy Bondy and Gay Brush as two feuding lovers, and Dorothy Calzavara as secretary of the college who mistook the boy from Maine for the Dean of the college, there was much confusion. The audience couldn't help but laugh when Dorothy Hocesvar, Judy Reaume and Marilyn Bornais broke down and cried over Paul Murray, Don Ouellette and Howard Pillon because the boys refused to take them to the dance. Parker Odette arrived at the scene just after the announcement of an escaped lunatic, but when Fred Beneteau and Jim Grenier appeared and both claimed to be "Dean Brown" this furthered the confusion. Phyllis Paquette and Rosemary Sutts became very humiliated and disappointed when they were told by the "sofa-posers" that they were not the ones wanted. Shirley Bondy as registrar of the college was quite busy calling the asylum. In the closing scene romance flared when Vincent proposed to Dorothy in spite of her millions. The feud was settled between Tommy and Gay, the boys apologized and everyone went to the dance. Both the lunatic and the sofa-posers discovered that they were in the wrong place, and the identity of the real Dean Brown was established.

The play would never have been a success, without the excellent supervision of Sr. John Berchmans. Before the final closing of the curtain the '53 graduates came forward to sing "A Little Prayer" by Hamblen dedicated to Sr. John Berchmans.

The Senior Choir sang "The Snow"—Elgar. We were fortunate to have music between the acts by the Assumption Band, accompanied by Father T. Mailloux, directed by Mr. Hart. After the play all enjoyed a party at Miss Shirley Bondy's home.

Love That Grade Ten B

Grade Ten B is a class of 37 bright, happy students. Each and everyone of them is really likeable. Mr. Stephani, our teacher, is well liked by all the students I am sure. He keeps us after four, shall we say, many times? But! let's also say maybe we deserve everything we get.

When the day begins we say prayer and are ready for class. Wesley McCauley called "Mr. President" says a few jolly words to "Sir" as usual. Mary Sauro and Theresa Simone the brains of our class, get ready for a hard day of study. Sheila Finn and Barbara Pettypiece, hard-working girls, also get to work. As the day goes on, you'll see "Fitzie" that's Jo-Ann, a really fine girl, adding life to our class by giving Wesley a hard time. Science period now comes up and Marjorie Pouget and Lou Ann Sinasac, really show their knowledge, while others like Wayne Hunt and Pat Bondy check Pat Pillon. Marching "in order" over to Sr. Francis' room. Most of us set our minds to French. But not John Bondy and Jerry Bornais, John's mind is on "oh why couldn't I have slept in this morning? Jerry's mind? You guessed it. It's on the girls. Julia Ann Bastien, Nancy Duby, and Antoine Beaudoin sure show their knowledge of this hard subject. Then comes noon, everyone is at lunch especially the boys. The girls have to watch their diet.

Sally Beneteau and Ann Bingham have some interesting experiences to tell us and keep us laughing all during lunch hour. Kathryn Tiefenbach, our quiet likeable girl, gets us all over to Church to make a visit. Then Joyce Grondin, Betty Ann Deneau and Frieda Christl take off somewhere up town. Pat Spearing, Mary Ann Parker, and Arlene Dehetre meet at Bussie's to get those good old "Dubble Bubbles".

Here comes the dreaded dead language, Latin. John Yankovitch and Chick Deluca are real brains in it though while our comedian, Jerry Patenden, gives up and chirps at the old "Chirp" Jack Ouellette. Two couples are Rose Walach and Janet Renaud, Nancy Amlin and Margaret Eechaute. They just love Latin? Johnny Fryer, Eddie Curtis and Charles McGee are Sir's consolation.

And then of course there's Marilyn Bondy, who is always sneaking looks in 10A for that certain someone.

Well that's our grade. Love that Grade 10B!

 Makes a lot of noise when Dave goes 'bout.

Joyce Nemlin is always late,
 If she were early, it would be a mistake.

The game with Amherst which is always a very high-spirited one, proved to be the most exciting and thrilling game of the year. At half-time the score was tied at 21-21. From this time on until the end of the game, the lead shifted back and forth, and with only ten seconds left in the game, the score was 38-40. Robert Fryer an ex-star for St. Rose obtained possession of the ball near our defending basket but missed the shot and the game ended 38-40 for St. Rose.

Individual high scorers of the season counting only league games were Paul Murray with 139 points and an average of 17.4 points per game, and Gerald Deslippe 77 points and an average of 9.6 a game. All players, who were: Paul Murray, Gerald Deslippe, Pat Fryer, Rex Beaudoin, Harry Plastow, Fred (Gateau) Beneteau, George Ahearn and Malcolm McQueen, played very well as a team. Russel Cantelon, due to a physical ailment and Robert Brooker, both very good players, were unable to participate.

The team wishes to express their thanks to Mr. Stephani for so generously giving up his time and effort in coaching the team.

The Junior Team with their new coach Paul A. Murray, a St. Rose Senior in the Essex County Association were placed second because of their heart-breaking loss to Leamington, and in W.O.S.S.A. tied with Amherst because of the loss in the opening game with Riverside.

Those who proved to merit the name of first stringers were: T. Mayville although with only an average of 6.4 points per game was invaluable as a rebounder who with A. Gardiner literally controlled the backboard. Gardiner a Freshman led the team in scoring with a total of 111 points and an average of 15.9 per game. T. Marshall averaged 10.6 points and was high scorer in any single game with twenty four points. Mr. Four Foot Four Robert Fitzmaurice was really great, averaging 11.5 points and making those baskets when they were really needed. G. Thrasher, the "Utility Man" played all positions well, although (p) committing an average of four fouls a game showed a great improvement over the previous year, and averaged 6.5 points per game. Second stringers were J. Fryer, F. Fox, L. Gardiner, P. Finn, J. Sutton, L. Shaw, H. Shaw, E. Pontini.

Senior Girls' Basketball

The Senior Girls showed excellent teamwork and good sportsmanship all through the season this year. Especially good team co-operation was shown in the game with Amherst in which they were victorious. The girls played splendid games, placing fifth in the W.O.S.S.A. Members on the team are as follows: Forwards—Lolly Sinasac, Janet Marshall, Pat Kelly, Jean Richard, Julie Anne Bastien and Catherine Bondy. "Monday Morning Blues"

Perk Sister John desperately tries
To keep the class from closing their eyes.
George who looks unusually spry
Would appreciate a toothpick to hold each eye.
Victor who is so comfortably stretched
Would prefer a bed to his hard old desk.
Next on the list is just plain Jim
"Neutral" of course is the word for him.
Lucille and her wattery peepers
Could use kleenex "Jeepers Creepers".
Missing this morning is some famous chatter
Marilyn's desk is empty "What's the Matter"?
Howard's giggling is really reet
To him "Doublement" is really a treat.
Jean Goulin whom we idolize
Is sure a treat to the teacher's eyes.
Tom's appetite is beginning to work
'Cause he's chewing his nails like a silly jerk.
Parker drifts in like a cloud in the sky
With Sunday night's memories concealed in his eyes.
Catherine gropes her way in like something from Mars
Due to the Sheraton's lodging of famous stars.
Dodo sits dreaming about last night's date
Her jaws just swinging like a rusty old gate.
Milton on Mondays a clever one rates
Even though he's from the "United States".
Sleepy eyed Shirley is drooping low
But give her some cards and watch her go.

Gay has lost her usual pep
She must have lost an "Assumption Pep".
James Grenier with an earnest gaze
Finds it hard to conceal his apparent gaze.
RoseMary who never has the blues
Is simply dying to tell Dorothy the latest news.
Judy must think it's last night
She's posed in her chair with her eyes shut tight.
Donald Ouellette appears mighty dead
But let Sister John try to hit him on the head.
Leonard's absence can't be beat
'Cause when he's here it seems like a treat.
Phyllis Paquette had a good time last night
But looks a bit weary at first sight.
Marguerite Bastien looks really alive
After spending the weekend with a certain guy.
Robert Colombe as silent as ever
Becomes that way without much endeavour.
Freddy Beneteau the usual tease
Certainly doesn't set one's nerves at ease.
Paul this morning has us under the impression
That his razor is on a depression.
Neatly dressed is Dorothy Hovevar
Seldom seen eating a chocolate bar.
Vincent contributes that much needed light
Because as usual he is very bright.

Phyllis Paquette, Dorothy Calzavara.

It is a striking fact that many of the outstanding athletes train on chocolate because it is a food and an energy producer.

Chocolate is a creator of vigor and nerve force and supplies the body with that extra energy—that added punch—that is necessary to win.

Jersey Milk Chocolate is the finest of all milk chocolate. Experts say the habit of eating a bar of Jersey Milk Chocolate every day is a healthful one to form.

*Where will
I fit in ?*

Soon schooldays will be over . . . the final class dismissed . . . the warm goodbyes said. As you hear the school doors shut behind you, will you be wondering, "Where will I fit in?" To find the answer look about you. Never before has development in Canada been on such a breathtaking scale . . . in northern wilderness . . . on western plain . . . from

coast to coast wherever industry produces the sinews of progress. Today Canada wants and needs every skill and talent its young people possess—no distant fields are so green as those at home! It is vital to choose your future wisely, but choose confidently, knowing Canada has opportunities worthy of the best you, and every other graduate, have to offer.
